

Jockey's Guild Retirees Dental & Vision Plans

Good dental and vision care are a great way to support your overall health. Delta Dental and DeltaVision plans are a smart, affordable way for you and your families to take care of your smiles and vision. Delta Dental keeps things healthy, simple & affordable.

Healthy.

Dental and Vision plans cover preventive care. Regular exams can protect from future costly issues by catching problems before they become serious.

Simple.

We keep it simple to enroll online or over the phone. Delta Dental and DeltaVision both utilize providers in the large national networks, Delta Dental and VSP Vision Services.

Affordable.

Dental & Vision plans for Jockey Guild employees are designed to fit all budgets. They come with rich benefits without the large price tag.

Networks

Delta Dental plans provide access to the largest dental network in the nation.

PPO Network: 64% of Kentucky dentists participate in this network. These dentists offer the lowest fees and belong to Kentucky's largest PPO network.

Premier Network: 90% of Kentucky dentists participate in this network. These dentists also offer reduced fees, just not as low as PPO fees.

DeltaVision plans provide access to the largest vision provider network in the nation.

VSP Choice Network: 38,000 providers and 91,000 access points available with this broad network.
